

Antwilla Davis

I have been licensed since 2009, and a member of West Central BOR since that time. I have been involved with many of the local committees as a member and chair. My favorites have been membership, pro standards, and executive. I had the honor of being our board's ROTY in 2017 and President in 2022. On the state level I have been an SPC, member of Pro Standards, Forms and Executive in 2023. In my community I had the pleasure of serving on city council for 8 years. I am a current board member for the Hardin County Board of DD. I am truly blessed. I have been married for almost 17 years to my supportive hubby and have two active amazing children. They have made me the crazy swim and show choir/ theater mom.
